

**INFORMAL MEETING AND
WORKSHOP 7/8 October 2010**
2nd Circular, preliminary programme

EFNDT WG 5 Informal Meeting and Workshop,
BAM Federal Institute for Materials Research and Testing,
Branch Fabbeckstraße, Building 89, Unter den Eichen 44-46, 12203 Berlin, Germany,
Thursday, 7th and Friday 8th October 2010

Dear All,

The **Working Group 5 “Public Security and Safety NDT Technology”** invites and wishes to welcome you to the informal meeting and workshop in Berlin on 7th/8th October 2010 in conjunction with the EU FP 7 CREATIF workshop taking place the two days before. For details, please refer to the folder “Events” in:

<http://www.efndt.org/Organisation/WorkingGroups/WorkingGroup5.aspx>

Everyone active either in NDT or in security related areas and wishing to support the WG 5 idea as well as to contribute actively (see web-page above) is welcome to attend this meeting. It will be hosted by BAM and supported by the German Society for Non-Destructive Testing (DGZfP) so no conference fee will be charged. Please let me know by e-mail (kurt.osterloh@bam.de) a.s.a.p. if you shall come, not later than **17th September 2010**. If you want to present something, please do so even earlier (contact data see below).

Preliminary programme:

Thursday, 7th October
